JOSIAH TURNER, Jr., EDITOR.

SATURDAY, JANUARY 1, 1870.

CHATHAM COUNTY.

At the last term of the Superior Court for Chatham county, the Grand Jury, after getting through with the regular and ordinary inquisition in regard to the affairs of the county, made a presentment, in substance as follows:

After congratulating the Court on the peace and good order generally prevailing in the county, the criminal docket of the Court having been disposed of in two days, the Grand Jurors, on their oath, go on to say, that they regret that rumor and newspaper accounts have gravely misrepresented the condition of the County; that they have diligently inquired, and are convinced that there is less crime in the county than at any time since the close of the war. No county is more peaceable and quiet than Chatham; that no such state of lawlessness exists as has been rumored and published in the papers, and they believe no man need fear the encroachment of the lawless in the county any more than in any other county in the State or the United States. They say, the statement is false, that the law is not administered in Chatham, but that her Courts, from the highest to the lowest, may be sought by rich and poor, with a perfect assurance of a fair and impartial administration of law and justice.

This paper was signed by the entire Jury, except two, four colored men being among those who signed it.

It is said, upon what we believe to be unquestionable authority, that the copy of this presentment, regularly made, signed and handed to Judge Tourgee, has not since been seen among the records of the Court. Where is it? Did the Judge pocket it and take it off with him? If he did, by what right, law or precedent did he do it?

If Judge Tourgee took off that presentment to prevent it going on record in the Court of Chatham county, he ought to be impeached for it.

But whatever the Judge may have done with the paper in question, it is certain it was presented to the Court, in substance as we have given it; presented too, in all due formality, by the Grand Jury of the county, under oath, and by men belonging to both political parties. The Grand Jury was composed, doubtless, as is usual in such cases, of men from the various parts of the county, and they say, solemnly, that "after diligent inquiry," they find there is no such a state of lawlessness as rumor and the newspapers represent, and that law and justice are impartially administered to high and low, in all the Courts of the county.

The question may naturally arise in the minds of strangers, how is it that these statements get into circulation, if there is no foundation for them? We will give what we believe to be the true facts in the case.

In some few cases in Chatham County, as in almost every other County of the State, there have been instances of notoriously bad characters receiving very rough treatment at the hands of some persons unknown. This has given a deep scare to other rogues and rascals, who feel a consciousness that they deserve, and perhaps have some reason to expect, the same treatment. Hence, if they see two or three respectable white men in conversation, they conceive the idea of a Ku Klux conspiracy against themselves, run down to the *Standard* office, or to a league meeting, with a cock-and-bull story, and the world is soon edified with the record of "another outrage in Chatham!" We say that a great deal of the cry of lawlessness that we hear is based on some such grounds as these.

On the failure of the militia bill in the Legislature, before the recess, the *Standard* predicted that before that body again convened, Republicans were going to be slaughtered, as it were, by the score and the hundred, and it notified the world that certain members of the Legislature would be held accountable before God and man for all the mischief that was to ensue, because they refused to aid in fastening the iniquitous bill, as a law, on the State. The time has nearly half elapsed, and the killing hasn't commenced. No doubt a few outrages would be hailed by the *Standard* as a God-send, that it might be able just to say, "we told you so!"

DEATH AND TAXATION.

This is rather an odd combination of subjects, but the exigencies of the times make it rather appropriate than otherwise; because there is at present no more common saying among the people than that "we are taxed to death;" and we all remember the proverb that "nothing is certain in this world but death and taxes."

But we commenced this article for the purpose of alluding particularly to the condition of Wake county financial affairs, in doing which we confess we are not in possession of as full data as we could wish, but are enabled to give enough facts on the subject to make our people open their eyes to the situation.

In the first place, we are not posted as to the indebtedness of the County prior to the Fall term of the Superior Court 1869; but it is the opinion of many who ought to know, that it was considerable. The accumulating expenses of the county are far ahead of any preparation or hope of meeting them. The jury and witness tickets of the regular Fall term of the Court, the special term now in session, and the term of Oyer and Terminer, called for the 18th January, all go to swell the bulk of debt previously existing, to which must be added the increased expenses of the county government by the new, over the old, system, and the extraordinary large number of prisoners constantly in jail to be fed and warmed at the expense of the county.

The taxes for county purposes laid last year, are inadequate to meet the current expenses, although the assessment exceeded the constitutional limit. We learn the Sheriff has refused to discount claims against the county on tax account; what hope, then, any one can entertain of the county ever getting out of debt, under the present order of things, we cannot see.

There is great injustice practiced because of the bankrupt condition of the county treasury, against men ill able to stand it.—Men are summoned to Court as jurors and witnesses, and forced to leave their farms or workshops, perhaps in very busy seasons, and hang around the Court House day after day for one or two weeks, and then fail to get the pittance the law allows, while fat officials, Clerks, Sheriffs, Commissioners and others, either get their fees in hand in advance, or draw their pay regularly and punctually up to the end of each quarter. We don't think this is right, fair, or just.

But what is the remedy for all this evil, felt by other counties as well as Wake? We confess we see but one, and that is "to stand in the way and see, and ask for the old paths, wherein is the good way, and walk therein."

Our machinery is too complicated and expensive, even where prudently and honestly conducted, when otherwise it is all comprised in the caption of this article, "Death and Taxation."

For the Sentinel.

COMPANY SHOPS, ALAMANCE Co., December 27th, 1869.

MR. EDITOR:—I wish to say a few words through the medium of your most excellent paper, on the meaning and purport of Mr. Shoffner's extraordinary bill, to create a military dictator in North Carolina; and, which failed to become a law in the House of Representatives, on Friday the 17th inst, for the want of a quorum. This iniquitous bill places at the disposal of the Governor, the lives, the liberty and the property of the entire citizens of North Carolina. In other words, it sounds a death knell to chartered rights and constitutional liberty, and subjects the once proud liberty-loving people of North Carolina, to the whims of a Monarch, or the cruel and bloody edicts of a military satrap. No civilized Legislature was ever called upon before, in such an open and hasty manner, to legislate away their liberty, and the liberty of their constituents. And no representative of a free people, ever before in the history of modern civilized legislation, asked a legislative body, to enslave his own constituents, by throwing around them the galling chains of martial law in times of profound peace. The cruel, tyrannical and despotic Emperors, who reigned over the Roman Empire in the might of her power, and in the pride of her strength, would have gloried in such a measure in their day, but the people of North Carolina, who have been reared up under the hallowed influence of the sunlight of liberty, look upon it with a deep distrust and a fearful apprehension in our day. The purpose of the *introducer* of this bill was doubtless to make Alamance county the "*dark and bloody ground*" on which tyrants and despots may do their diabolical work.

Well did Pope exclaim over the downfall of an ancient principality:

O! Thebes! for thee! what fates remain!
What woes attend this insuspicious reign!
Must we alas! our doubtful necks prepare,
Each haughty master's yoke by turns to bear,
What an episode on our past history!—

Not satisfied with bringing bankruptcy and ruin upon the State, and driving from her borders the battle-worn heroes who have struggled long and manfully for her prosperity—they turn now upon the last shining mark, and with poisoned poniards, purpose to stab liberty itself to the heart. Who can fathom the depth of the misery such a law may entail upon the people of North Carolina, the great writ of right suspended, which was designed as a shield and a life preserver, for all classes and conditions of men; the suspected though innocent, arrested without *warrant or affidavit*, and denied a trial before a jury of his own peers—contrary to every principle upon which civil liberty is founded.

Verily it is the re-enactment of Draco's laws written in human blood. And it is the duty of every law abiding, peace loving citizen of North Carolina, who loves peace and quiet and deprecates war and bloodshed, to rise up in their righteous indignation without regard to party predilections and place upon this iniquitous measure the signet of public abhorrence.

Who does not deplore the disturbed condition of society as well as the lamented circumstance which occasions it. It is but the upheavings of a demoralization, the natural consequence of a long and disastrous revolution, which changed by radical force, the great fundamental principles upon which society, as well as our State government was established—and which *time* will sooner heal than blood or bayonets.

What sane logical man would attempt to battle against a disease, with a remedy which would aggravate every existing symptom. And this must be the necessary result of Mr. Shoffner's law, when applied as a remedy to social disorders. And I will say to the people of Alamance, who have been held up in their State capitol as "hell hounds and cut-throats," which I take this occasion to brand as an *infamous* slander on the character of as brave, intelligent, patriotic and law abiding people as there is in the State, that the introducer of this measure, ought to be respectfully requested, to point out a solitary instance in the county of Alamance, where any man or set of men have ever attempted in the least, to resist the execution of law by the civil authorities. Or wherein the Sheriff and his deputies have ever failed to serve a warrant or make the arrest of parties recognized or suspected as being violators of law. If there be no open resistance to civil authority, why then in the name of all that is peaceable and just does our Senator wish to cram down the throats of his constituents the bitter unction of a military despotism? We are tired of war and its evil consequences. For time has scarcely scattered the dust, or crumbled the bones of the heroes who fought and fell in the "Lost Cause," and where is the soundness of the policy at this early day, to tear open afresh the bleeding and festering wounds of Society which time have partially healed.—For we are fully convinced of the fact, that what North Carolina was, North Carolina may be again, under a wise and prudent counsel to direct and a magnanimous spirit to forgive. The deep furrows made by the ploughshare of war will be effaced by the revolution of time, under the rising sunbeam of Christian virtue and a returning sense of virtuous ambition. It is therefore better to submit peacably quietly and tamely to our present ills, that they may work out for us in the end, a far greater lasting and permanent peace. For we doubt not, but the day will come, that the political bubble brought to the surface on the angry tide of revolution, will burst and sink back to its native element, and then the true statesmanship will come forth as a harbinger of good, to rebuild the waste places and gladden the hearts of our people.

I am very respectfully &c.

HOW DOCTRESS WALKER CURED THREE WAGS.—Doctor Mary Walker hung out her professional "shingle" at Leavenworth, Kansas, recently, and the *Commercial* of that city records an amusing incident in her professional life, in which she seems to have turned the laugh on a trio of would-be wits most admirably:

Three gentlemen called to see Doctor Mary, simulating sickness. One of them is a legal light, remarkable for the length of his head and also of his beard. This one feigned rheumatism and sat down in an afflicted manner. They all sat down, and the lady eyed them askance. By and by they spoke, saying that they had heard of the Doctor's fame, and came to be healed. They each held out a hand, desiring her to feel their pulse. "Gentlemen," said the lady, "I will undertake to cure you, but I want a fee, please. Five dollars in advance." "That's cheap," said one. "Any how it's the regular charge," said another. The lady looked on, saying nothing. Conversation began to flag, and the visitors made as though they were feeling round their clothes for the five dollars. The silence grew embarrassing to all but the lady, who sat looking like a sphynx. Then one of her visitors got up and went out, then the other went out also; finally the third got up and run, without even saying good-bye to the Doctor or waiting for her to write out her prescription. He did not, however, get away so quickly but that he heard the lady calling after him: "It takes three smarter men than you to come fooling round me." Her patients having gone, the lady looked round smiling like a saint.

EMIGRATION WEST.—A correspondent of the Baltimore *Sun*, writing from Atlanta, says:

I had no idea of the emigration from the northern part of this State, from South and North Carolina and from a portion of Virginia, to Arkansas, Texas and Missouri, which is now taking place every day, until I came here and saw it. Train after train, each day of each week comes in loaded with able-bodied yeomen accompanied by their families, and carrying with them the most movable of their household effects, all of whom are going West to buy cheap lands and establish new homes. I suppose that the average number of these emigrants,—who come through this city daily, is not less than two hundred and fifty. It is often much greater.

VIRGINIA AND TENNESSEE.

There is a good deal of talk in political circles in Washington concerning the course of Congress when it reassembles, in reference to Virginia and Tennessee. There is no doubt that the temper of Congress has greatly changed since it first met, and that the ultra element, which was then silent, is now becoming every day more rampant and aggressive. Measures which would then have been dismissed as impossible or absurd are now spoken of as every way probable. This is especially the case in respect to Tennessee. Leading Democrats express the opinion that the action taken in the Georgia case was designed as a precedent to show the power and readiness of Congress to interfere, whenever it may be necessary to ensure a Radical ascendancy in each State, and to employ whatever means are essential to this end. It is known that there has been a great deal of study and consultation among the Republicans in Congress touching the case of Tennessee, and that the leaders are maturing a plan for a fresh subjugation of that State. The mode of doing this is not yet known, or even agreed upon, but that they will find a way, if they decide upon finding one, is not doubtful. The pretexts assigned for this are that the last election was fraudulent; that the registration under Governor Senter admitted many whites to vote who were disfranchised by the laws of the State for participation in the rebellion; and, lastly, that the State does not have a Republican form of government. Leading Republicans in both branches are strongly opposed to this policy, but it is not now known whether enough of them will stand out to defeat these measures. The talk among the ultra Radicals is to hold Virginia back for the present and not to admit her until her political course is more clearly defined. The recommendation of the President makes it difficult for the Radicals to act in this case as they would like to do.

MISSISSIPPI.

As Mississippi has gone Radical in all branches, she will be promptly admitted and her State government recognized. The official result of the election, as proclaimed through the military commander, will reach Washington next week, so that it can be submitted to Congress when it re-assembles. In the meantime Satrap Ames will convene the Legislature for the purpose of fulfilling the Congressional requirement by ratifying the fifteenth amendment and electing Senators. After this is done, the admission of Senators and Representatives by Congress is all that is necessary to completely restore the State, under the Radical regime, to the Union.

TEXAS.

As Texas has not elected a Republican Legislature, the plan is to make it Republican by the application of the iron clad test oath section; and reconstruction legislation will therefore be put in the foreground of the Congressional programme. The ultras are gaining ground every day, and it is obvious that if these can control Congress no State government at the South will be allowed to stand that is not in the hands of the Radicals.

THE COLORED TRUSTEE.—Much surprise and indignation is expressed at the action of the radical city nominating committee in placing upon its ticket for trustees of the Newbern Academy the name of John R. Good, colored. The Academy is a white school exclusively, and as such it was expected that it should be exclusively under white control. The nomination of Good can be construed in no other way than as a declaration, on the part of the Radicals of Newbern, in favor of mixed schools. This is clearly against the legislative enactments upon the subject, as it is in opposition to the heretofore published intentions of the radical party.

Every radical meeting furnishes fresh cause for distrust and indignation. When will the line be finally drawn?—*Newbern Journal of Commerce.*

NEW ENGLAND SLAVERY.—The factory girls in several parts of New England are dissatisfied with the treatment they are receiving from their employers. In Dover, N. H., about six hundred have gone out on a strike, and a meeting of female operatives in Lowell has sent messages of sympathy and support. According to the complaint of the chief speaker (Miss Collins,) in old times the girls were treated like human beings, "but lately the cotton kings had become more avaricious, and in their wild rush for wealth had forgotten all honor and forsaken every feeling humanity." She went on to say that the factory girls were worse off than the black women of the South.

Mrs. Stowe has again postponed the publication of her book proving Byron to be a monster; and she will probably postpone it still further when she reads the oration which Rev. George Gilfillan has been delivering in Scotland on the subject. He says that the advertised book "will only perpetuate, along with the blasted memory of its subject, her ultroneous, officious, unwomanly, unenviable share in the miserable task, and send her name down to posterity as a sort of volunteer moral Mrs. Calcraft, or female executioner to a man whom, with all his faults, I pronounce ineffably greater and nobler than her small, sanctimonious, but viperous, Yankee self."

THE SAMANA BAY LEASE—A LOBBY JOB.—While negotiations are said to have resulted in a virtual agreement between the high contracting parties for the annexation of the republic of Dominica, it appears that certain individuals, in the name of the United States, have entered into a contract with President Baez for the lease of the harbor of Samana for a period of fifty years, at the rate of one hundred and fifty thousand dollars a year. Now, when it is generally expected that before the expiration of a year from this time the whole island of St. Domingo, including the black republic of Hayti (French) and the yellow republic of Dominica (Spanish) will be annexed to the United States, this Samana bay job appears to be a very ridiculous proposition for a superfluous squandering of seven and a half millions of public money. The purchase of the earthquake island of St. Thomas for the same sum would be a much better bargain, although we know it would be a more decided "sell" than Alaska. But the main point is that it is sheer folly to be wasting any more *millions* in sops to the lobby for real estate which we can get by simply paying off a few trifling mortgages for the tenants.—*N. Y. Herald.*

REAL ESTATE.—See the advertisement of M. Grausman for the sale of a small tract of land, near the city, to be sold at auction at W. H. Jones & Co's., auction store to-day.

METHODIST CHURCH.—Rev. J. H. Daily will be absent from the city on to-morrow. Rev. Wm. E. Pell will fill his pulpit on Sabbath morning and night.

We are informed by the Wilmington *Journal* that Cerus Herring, a colored man about 25 years of age, hailing from Elizabeth township, Sampson county, fell overboard into the river from a raft drawing up to one of the wharves, between 8 and 9 o'clock Tuesday night and drowned. The accident happened while the deceased was assisting in pulling the raft (on which he had just arrived) up to the wharf. While in this act he was knocked overboard by the stern of a vessel with which he came in contact in the dark. He was a good swimmer and was seen to strike out, keeping himself up for a while, and his father in-law attempted to reach a pole out to him, but in a few minutes he was carried under the vessel by the tide and was seen no more.

PLANS AND SPECIFICATIONS.—We mentioned yesterday the rumor that the plans and specifications of the new market house had been lost or mislaid. Mr. Christophers, City Clerk, called on us yesterday in regard to the matter, and stated that he had taken an exact copy of the contract for building the market house, with the original plans and specifications, and that the copy is now in the hands of the Chairman of the Building Committee, and that the modifications made in the plan since the original draft was made, are recorded in the proceedings of the Council. So, should the original be lost, it will make no difference.

A MATTER OF TASTE.

The *Standard* thinks it in bad taste to to make allusion to Radical rascality and roguery, as we did in the case of Snead of Johnston. On this point people will differ. The *Standard* seems not to understand that there is a vast difference between a private individual and one in official position. "What is the Captain's but a choleric word, is in the soldier rank blasphemy," and what is an individual is but his own act, in an official, especially one on whom honors are piled high and thick, becomes, in a manner, the act of his party. Snead went from the caboose in this city to Johnston with the commission of Magistrate in his pocket signed by Gov. Holden, three years ago, and since then his honors from his party have been of the four-ply fabric, and now it will not do to place him in the category of mere private rogues; he is, to all intents and purposes, a part of the administration.

COMMISSIONERS WESTERN WARD.

We announce for Commissioners of the Western Ward, without regard to party, but for the good of the city, the names of B. P. Williamson, R. W. Best and Norfleet Dunston. They will be supported by MANY VOTERS.

R. G. Ivey will very soon open a Grocery Store on the premises of W. G. Riddick about 8 miles Northeast of this city.

The business will be conducted by W. G. Riddick, as agent.

Persons can be supplied with everything in the grocery and provision line upon the most reasonable terms.

MEETING IN PITTSBORO—CITIZENS OF CHATHAM RALLY!

There will be a meeting of the citizens of Chatham, at the Court House, in Pittsboro', on Saturday, 8th January, 1870, to consider the bill now pending in the Legislature, and other matters affecting the county.

It is hoped that Gov. Rencher, Gen. Jackson, Mr. Manning, Maj. York, J. G. Rencher, H. A. London, Esqs., and others will address the meeting.

MANY CITIZENS.

HAPPY NEW YEAR!—On this new day of a new month, in the new year of grace, eighteen hundred and seventy, we make our bow to the patrons of the SENTINEL, wishing them, most sincerely, a happy new year, and that throughout its circle of three hundred and sixty five days, five hours, forty eight minutes and some odd seconds, they may enjoy uninterrupted health and find their fondest legitimate desires gratified.

The social and moral sky is tolerably clear above (or before) us, but there is a somewhat dark and murky streak in the political and financial quarter, which we hope may blow over or clear away, before the year closes. Let us at least hope for the best.

Above all, let us all go to work during the year now before us, to clear away the rubbish and rebuild the walls of our shattered fortunes, and with the smiles of Divine Providence upon our labors, which we should never forget to implore, we shall end the year a happier and a richer people than we are at the beginning.

THE COLORED CELEBRATION TO-DAY.

To-day the colored people of Raleigh and vicinity will celebrate the anniversary of the emancipation proclamation. The ceremonies will take place at the Fair Grounds.

We understand that a portion of the colored people are desirous of inviting white native gentlemen to co operate with and address them on the occasion, while another portion, at the head of which is Stewart Ellison, now a candidate for city Commissioner in the Eastern Ward, is in favor of excluding all native whites or "Rebs" as he calls them. We are requested to say, that not only are a large number of colored men opposed to this exclusive spirit in regard to the celebration to-day, but they are determined to defeat him as a candidate for Commissioner.

For this purpose they intend to place another name on the ticket and hope every man, who is opposed to keeping up forever the unnatural division between those who must live and prosper, or suffer, together, to join them in voting for and electing Handy Lockhart, in place of the said Stewart Ellison.

LIFE INSURANCE.—There are two new "Richmonds" in the field, in the Insurance business, the Globe Mutual, of New York, and the De Soto Mutual, of St. Louis, Missouri.

It is not our business to discriminate, nor to recommend one Company above another; we refer the people to the advertisements and to the men representing the different Companies, who are sufficiently qualified to set forth the merits and advantages of their respective Companies.

Read the advertisements, see the agents and make up an enlightened opinion as to the Company you will insure in, but, at all events, insure in some one or more.

Dividend declared by the Raleigh National Bank.

THE RALLY ON THE 10TH.

The people are aroused on the subject of legislative usurpation, manifested in the militia bill and the proposition to hold over for two years longer.

We have received the following responses to the proposition for a Mass meeting in Raleigh on the 10th of January:

HOUSE CREEK DISTRICT,
Dec. 24th, 1869.

MR. EDITOR:—We are glad to see you calling for demonstrations among the people against the despotism which the dominant party are endeavoring to inflict on the people. We will be in Raleigh on the 10th of January to join in with the good people of the County in protesting against putting our persons and property—our lives and liberties, in the hands of any one man, be he Governor or any one else. This District will be out in force.

Signed—H. B. Tucker, Wm. A. Rogers, Isaac H. Rogers, Joseph Blake, J. J. Eatman, Allen Rogers, and Joseph Eatman.

AUBURN DISTRICT,
Dec. 23rd 1869.

MR. EDITOR:—Having heard that it is in contemplation to hold a Mass Meeting in Raleigh, on the 10th of January, the undersigned assure you and the good people of the county, that, rain or shine, hail or snow, we shall be there to join in a protest against the movement to suspend the *habeas corpus*, and the attempt to perpetuate the Legislature for four years.

Signed—Caswell Powell, Joseph Bridgers, J. W. Hutchings, W. R. Poole, W. J. Jones, W. S. Bagwell, H. P. Poole, A. J. Poole, G. W. Crockett, S. Ivey, John Griffin, John S. Johns, W. A. Sturdivant, L. C. Manley, Alsey Johnston, A. C. Powell, J. Allen, (colored,) W. Lawrence, Thos. Johns, O. A. Smith, Alfred Poole, J. G. Poole, W. P. Poole, Hardy Poole, Sr., Berry Bagwell, C. F. Johns J. C. Poole, Rufus Poole, J. Baley, P. H. Green, and T. Gaddis.

EAGLE ROCK DISTRICT,
December 25th 1869.

ED. SENTINEL:—This portion of Wake is fully aroused against the encroachments of the party in power, upon our liberties, as well as our property. We heartily approve of the move for a mass meeting in Raleigh on Monday, Jan. 10, and hope that every District in the county will be fully represented. We are not prepared to submit to a suspension of the writ of *habeas corpus*, nor to a perpetuation of the power of the present Legislature; without an earnest and solemn protest. This section of the county will be fully represented at the mass meeting.

signed—Thomas R. Debnam, Sr., Wm. Pully, Nathaniel Debnam, W. W. Underhill, B. B. Rhodes, W. E. Richardson, and several others.

In other parts of the country, we know the people are moving in this matter, and there is no doubt a tremendous concourse will be gathered in Raleigh on the 10th.—The subject is one to alarm them and arouse them to protest against the consummation of a reckless attack on the liberty of the people hitherto unheard of in this country.

Let everybody come.

QUERY.—What young lady of Greensboro received, recently, a note from a young gentleman of Raleigh, requesting her to purchase for him a small quantity of chestnuts? And who was the gentleman?

DIED,

Near Fayetteville, on Saturday night, December 25th, Rev. JAMES MCDANIEL, D. D., in the 67th year of his age.

At the time of his death he was pastor in charge of the Baptist Church in Fayetteville.—He had been, from his 22nd year a prominent and influential minister of his Church, and, until recently, President of the Baptist State Convention, when declining health obliged him to resign the position. During the 45 years of his ministry, and especially, while President of the State Convention, his name was intimately connected with all the progressive movements of the denomination of which he was a light and an ornament, and his Church, by his death, sustains a loss not easily supplied. Noted for deep piety, firm in maintaining the doctrines of his Church, courteous in his intercourse with all, his death will long be deplored by his brethren and numerous circle of friends and acquaintances.

The funeral ceremonies took place on Monday, 27th, and were participated in by the ministers of the various denominations in Fayetteville, a large concourse of citizens, and by the members of Phœnix Lodge, the belle of all the city Churches, telling as the procession moved through the streets to the cemetery.

DR. LAWRENCE'S
Highly Concentrated Compound
FLUID EXTRACT OF
Koskoo!

THE GREAT HEALTH RESTORER!

NOT A SECRET QUACK MEDICINE—FORMULA AROUND THE BOTTLE.

Prepared Solely by

J. J. LAWRENCE, M. D.

ORGANIC CHEMIST,

NORFOLK, VIRGINIA.

☞ Beware of Counterfeits. See that Dr. J. J. Lawrence, Chemist, Norfolk, Va., and the word KOSKOO, is BLOWN ON THE GLASS of each bottle. ☜

Koskoo is endorsed by the best physicians everywhere. Read the following from Dr. Tilley, a successful practitioner of many years standing in the Old North State:

Rocky Mount, Edgecombe Co., Sept. 19, 1869.

DR. J. J. LAWRENCE—Dear Sir: I have used your Concentrated Fluid Extract of Koskoo in my practice with the happiest results. I find it to be a *powerful Liver Invigorator Blood Purifier* and *Nervous Tonic*. In all diseases of the *Liver, Scrofulous Syphilitic, Nervous Affections, it is a remedy of immense value*; in fact, in almost every variety of Chronic Disease its use is indicated. Hoping you may meet with the success which you deserve as a manufacturer of *reliable* medicines, I am sir, with much respect your obedient servant,

R. C. TILLERY, M. D.

From Dr. Pentress, an accomplished and experienced physician.

Princess Anne Court House, Va. Sept. 13, 1869.

J. J. LAWRENCE, M. D.—Dear Sir: I have carefully examined the formula, as well as the Therapeutic properties of your Koskoo compound, and have prescribed it in some stubborn cases of *Chronic Liver Affections Dyspepsia, General Debility, &c., and always with the most gratifying results*. I find it to be a splendid *Tonic Alterative, and Hepatic* combination, accomplishing its constitutional effects *without the slightest debility*; in fact *it gives fine support to the General system* while its alternative effects are being produced. *I cheerfully recommend its use to the public.*

Yours, truly;

T. F. PENTRESS, M. D.

KOSKOO cures SCROFULA IN ITS WORST FORMS. From Mr. A. W. Mills, a prominent and well-known merchant of Norfolk, Va.:

No. 11, Main St., Norfolk, Va., Sept. 13, 1869.

DR. LAWRENCE—Dear Sir: Your Koskoo has worked wonders in my family. My daughter has been a sufferer from Scrofula since childhood. She lost thirty-one pieces of bone from her ankle, several from her arm, besides having ulcers in several parts of the body. Whilst in this condition she commenced taking your Koskoo—IT ACTED LIKE A CHARM ON HER—UNDER ITS USE THE ULCERS GRADUALLY HEALED, AND HER GENERAL HEALTH GREATLY IMPROVED. It certainly saved her much suffering, and perhaps her life. I regard Koskoo a SPECIFIC for all scrofulous affections. Your Koskoo also on ed my wife of dyspepsia, from which she suffered greatly. SHE IS NOW IN BETTER HEALTH THAN SHE HAS BEEN IN FIVE YEARS.

With the highest regards, I am gratefully yours, &c., A. W. MILLS.

KOSKOO, THE GREAT INVIGORATOR.—Read the following from the Rev. Joseph E. Martin, pastor of Wesley Chapel, Portsmouth Va.:

"This is to certify that myself and wife have used Dr. Lawrence's Koskoo, and can testify to its beneficial effects. Previous to taking it we were in a condition of debility—had no appetite, and suffered from sudden and often violent attacks of headache and nervousness. Two bottles of Koskoo has improved our general health, and we regard it as invaluable, and most cheerfully recommend it to all who have need of an *invigorator*. —Yours, &c.

JOSEPH E. MARTIN.

KOSKOO!
CURES CHRONIC RHEUMATISM.

Norfolk, Virginia, September 7, 1869.

DR. J. J. LAWRENCE—Dear Sir: My son has received so much benefit from your wonderful Koskoo that I cannot refrain from expressing my gratitude. I had tried almost everything without benefit. I believe, in all sincerity, that your Koskoo is AN INFALLIBLE REMEDY for the disease from which he has suffered, and, so far as I can learn, has never failed. If you only knew the immense amount of suffering that he has undergone, then you could conceive the value of such a remedy as Koskoo—THAT SURELY CURES. The great amount of good it is now doing among us is inestimable.

With much gratitude, I am respectfully yours, &c., MRS M. E. A. NELSON.

Dr. Lawrence—Dear Sir: Having been treated by several skilful physicians for Dyspepsia, Chronic Disease of Kidneys, General Debility, &c., without benefit, as a last resort I commenced the use of your Koskoo, and am pleased to say that under its use my health has been entirely restored.

I am, sir, with much respect your obedient servant, O. B. MEARS.
No. 3 Market St., Norfolk, Va., July 6, 1869.

Pacific, Franklin Co., N. C., Sept. 11, 1869.

This is to certify that for a long time I suffered very much from inaction of the liver and constipation of the bowels and tried several remedies, but received no benefit until I commenced taking Koskoo. I took the medicine about one month, and I was completely *cured* and have remained well. I know of several *cures* made by Koskoo, and can cordially recommend it as a good medicine. JOHN H. BAKER.

From Mr. Womble, a prominent hardware merchant of Norfolk:

No. 13 MARKET SQUARE,
Norfolk, Va., Oct. 25, 1869.

DR. LAWRENCE—Dear Sir: To the large number of testimonials which you offer of the great efficacy of your Koskoo, I take pleasure in adding my own. I suffered greatly with Nervous Debility, Headache, Loss of Appetite, &c. Two bottles of KOSKOO RESTORED ME TO HEALTH.

Yours, truly,
J. G. WOMBLE.

From Rev. W. H. Christian, Pastor Dinwiddie Street Methodist Church:

PORTSMOUTH, Va., October 25, 1869.

This is to certify that I know Dr. Lawrence well. He is a gentleman of cultivation, and worthy the fullest confidence. I have used his "Koskoo" with advantage to myself, and have adopted its use in my family in cases of nervous debility and depression.

W. H. CHRISTIAN.

From Rev. C. H. WILEY formerly State Supt. of Education.

BRISTOL, TENN., Oct. 14, 1869.

I had seen by the papers what had been done by the Board of Education in North Carolina and was glad. I had ample reasons for my former recommendations in the use of the books in our schools.

These Books are Used by the Best Schools in the State.

Late Testimonials In Brief.

It affords me great pleasure to bestow on them my heartiest commendation. They are vastly superior to any other books of the kind I have yet seen.—W. H. WEAVERLEY, Prin. Class. and Math. School, Elizabeth City, Oct. 25, 1869.

Send me ten Davies' Intellectual Arithmetics for introduction. They are superior to any I have seen.—W. F. EGGLESTON, Mount Olive, Oct. 20, 1869.

I intend using the same books in my school as those used in the common schools. * * I am already using Monteith's Geographies.—JOHN D. JOHNSON, Yadkinville, Sept. 28, 1869.

I am and have ever been an earnest advocate of uniformity in school books. The Board recommendations—Arithmetics and Geographies—are the best that could have been made.—H. E. SMITH, Lincolnton, Sept. 28th, 1869.

Because these books are adopted by the State Board, as well as for the merits of the books themselves, we wish to introduce them; and use them exclusively in our schools.—Rev. S. C. ALEXANDER, Charlotte, Oct. 11, 1869.

"Nat. Philosophy" received. Am struck with its superiority to the other in many respects. As a class is waiting, substitute in my order Steele's Philosophy for first introduction.—G. W. JARVIS, Wilmington, Oct. 13, 1869.

Davies' Mathematics was adopted by me in 1854, and up to this time I have examined no work superior to them. I have examined McNally's Geography and Peck's Ganot's Natural Philosophy. I consider them most excellent works and shall put them into my boys' hands at the earliest period.—J. E. DUGGER, Prin. Male Academy, Warrenton.

It is my purpose to introduce Monteith's (No. 4) into my school. I give it the preference for the information which it gives on the subject of Physical Geography. Problems and questions in both works (Monteith and McNally) seem to me to be admirable.—Rev. ALDERT SMEDES, D.D. Rector of St. Mary's, Raleigh.

The system of Geography—Monteith and McNally—I am well pleased with.—Rev. WM. S. LACY, Raleigh.

Davies' Arithmetics, Monteith's Geographies and the National Readers are too well known to require a word from me. Monteith and Davies are the best that I am acquainted with.—Prof. FRANK VATCHAR, Elizabeth City, Oct. 21, 1869.

I have waited patiently for the adoption by the Board of Education of this State of the books to be used in the public schools, and am much pleased to find that so many have been selected from the National Series.—Rev. W. L. MILLER, Charlotte, Oct. 1, 1869.

Am much pleased with both the Spellers and all the readers; and as to the Series of Geographies, I have long used no others when these could be obtained.—Dr. WM. B. HARREL, Prin. High School, Snow Hill.

The introduction of so much valuable matter on the subjects of Physical Geography and Geology, and in a form so simple and intelligible makes it, (Monteith's Intermediate Geography) in my judgment, a charming school book.—Col. WM. BINGHAM, Prin. Bingham School.

I design introducing McNally's Geography and Davies' University Arithmetic.—Dr. CLOSS, Prin. Durham Academy.

Will introduce the University Arithmetic next term. An admirable work.—M. L. LITTLE, Prin. Pleasant Hill Seminary, Newton.

Monteith's Geographies are excellent works, and I shall introduce them into my school.—STRICKON IVEY, Prin. Auburn Academy.

The superior and durable style of binding of your works is a very great recommendation—one with which I have long been favorably impressed.—Prof. WM. A. GUERRANT, late Hillsboro' Military Academy.

I have introduced your National Series of Readers. We find them to be excellent, just suited to our purpose. With Davies' Mathematical series we have been long familiar, and can find no good reason for changing them. In the Primary Department we have Monteith's Geographies.—Rev. G. D. BARNHEIM, Prin. Female Seminary, Mount Pleasant.

The National Series of Readers and Spellers are the best with which I am acquainted. I shall henceforth use no others in my school. I use Davies. I consider his works incomparably superior in many respects. Monteith's Series afford a gradual but thorough and systematic progression.—Prof. Jos. H. FOY, President Stantonsburg Scientific High School.

I regard Monteith's Physical and Intermediate Geography as one of the best books of its kind. It has several points of superiority over most primary Geographies; Geography is here treated from the only true and rational standpoint, viz: of Geology and Physical Geography.—Prof. W. C. KERR, State Geologist of North Carolina.

Mr. Taylor Johnson, Olive's Chapel, has introduced the National Readers, Monteith's Geographies, Davies Arithmetics, Clark's Grammars, etc.; Mr. John Franks, Grove P. O., has introduced the National Series throughout; Mr. W. A. Branch, New Hill P. O., uses the National Series throughout; Mr. Addiphus Rogers, Green Level P. O., uses the National Reader, Copy-Books, Monteith's Geographies, and York's Grammar; Mrs. Emma Bangham, Cary P. O., uses the National Series; F. H. C. Olive, New Hill P. O., introduced Monteith's Geographies. There are now at least 250 pupils in Wake and Chatham counties who are daily using the National Series of books, within my knowledge.—Prof. W. H. MERRETT, Chatham county, Sept 14, 1869.

I am glad to learn that some of your books are to be introduced into our State Schools.—Prof. J. M. M. CALDWELL, Greensboro' High School, Oct. 23, 1869.

Distinguished Editors and Critics Praise Them.

The Series must prove acceptable. The structure of language is beautifully exhibited.—Fayetteville *Presbyterian*.

This firm will allow no competition in the price of books published by them which are among the best in the State.—Statesville *American*, 1869.

Have a reputation for merit unsurpassed.—Statesville *American*, 1869.

Peculiarly adapted to supply the wants we have long felt.—Greensboro' *Patriot*.

Have acknowledged superiority by the most competent judges.—Western *Sentinel*.

Davies is excellent in the first degree.—Wadesboro *Argus*.

Are excelled by none of the many used, and they are superior to most of them.—Newbern *Journal of Commerce*.

When we examine the bright pages of the National Series, and think how we groped along the dry and uninteresting "track" of our boyhood, we are constrained to be envious of the happy pupils of the present.—Wilmington *Post*.

The National Series has attained probably a higher reputation than any other complete series of School Books now in existence.—Wilmington *Herald*.

And $5,000 ready to pay a loss of No. 34,161, so soon as the party authorized to receive the money appears.

The Company has been well tested throughout the State, as to its promptness in paying her losses, reliability, &c.

DIVIDENDS PAID AT THE END OF THE FIRST YEAR, AND ANNUALLY THEREAFTER.

Its ratio of expense to income is extremely low. This may be seen by reference to the Official Reports for 1868. For example:

EXPENSE ON THE $100 RECEIVED.

KNICKERBOCKER,	$13,54
EQUITABLE,	17,44
NORTH AMERICA,	21,16
BROOKLYN,	21,09
UNIVERSAL,	27,24
JOHN HANCOCK,	18,27
THE NATIONAL,	63,48
THE ÆTNA,	13,41

It has an IMPORTANT NEW FEATURE that has been copy-righted. According to this plan the rates are MUCH LOWER than in any other Company in the world.

Its ratio of Mortality is low. Its rates are very low. Its expenses are very low. Its dividends are large.

It insured more lives in the City of New York in 1868, than any other Company, except one. It issued more Policies in the United States than any other save one. It insured more lives in Canada than any other Company, British or American.

See what the HIGHEST INSURANCE AUTHORITY in this country says. In the June number of the *Insurance Times*, of New York, the following opinion was expressed:

"If there is any great benefit in mutual association, any great advantage to be derived from scientific organization and a chartered source, tending to mitigate the sufferings, lessen the privations, and add to the peace, security, and happiness of humanity, we are prepared to show that these blessings flow, in all their fullness and purity, from this excellent, powerful, and flourishing Company, the ÆTNA LIFE, of Hartford."

"No institution has brought more prompt, full, and grateful relief to the hearths of the bereaved and desolate, and none has been more uniformly distinguished for the enterprise, wisdom, and equitable liberality with which it has fulfilled the purposes of its formation."

"Its success has been almost unbounded and beyond all precedent. Eight years ago, in 1861, it issued only 380 policies, received an income of seventy-eight thousand dollars, and possessed net assets amounting up to something over two hundred and eighty-one thousand dollars; but last year, 1868, it granted 15,837 new policies, more than any other Company, except the Mutual Life; received an income exceeding six million dollars, and had amassed solid, securely and profitably invested nett assets amounting to over Ten Million Three Hundred and Fifty Thousand Dollars. And this wonderful ratio of growth has been sustained in 1869."
